PRAXIS CUBE Compartment

Description

This practical compartment offers the ideal combination of robust material, ample space, and a well-organized interior layout.

Thanks to the zipper running diagonally across sides and lid, **PRAXIS CUBE** can be opened up to 180°, ensuring the entire contents always remain easily accessible.

Transparent divider and two side pockets ensure overview and visibility of content. Divider contains handy zipper compartment.

Two large carrying straps ensure comfortable carrying and also ease removing **PRAXIS CUBE** from a bag or backpack.

For individual labeling compartment is equipped with a label field on inside of lid. Printing template for label field is available at "Download & Service" on TEE-UU website for download at:

<https://tee-uu.com/en/service>

Features:

- robust and semitransparent sides and base, transparent cover
- diagonal zip for a wide 180° opening of bag

- transparent divider with zipped compartment (approx. 26 x 9.5 cm)
- 2 small, flat slip pockets with elastic border (approx. 10 x 10 cm, each)
- label field on inside of cover (approx. 9 x 6.5 cm)
- 2 carrying loops

Scope of delivery

Compartment; without further or pictured supplies
