BARRELBAG clothing bag

BARRELBAG with shoulder straps for use of bag as backpack

Description

Robust garment bag in popular “barrel shape” made of reliable, waterproof tarpaulin that goes through thick and thin with you.

Depending on weight and individual preference bag can be carried using textile handles as well as backpack, but also as a backpack or shoulder bag.

Features:

- large, wide opened main compartment: (capacity: approx. 75 liters):
 - three pockets (16 x 16 cm, each)
 - zipper compartment (net-pocket, 48 x 27 cm) at interior of cover
 - key holder inside of zipper compartment
- 2 drawstring bags (approx. 50 l each) in two colors (black, grey)
- 2 carrying handles
- 2 adjustable and detachable carrying straps, with:
 - textile loop for mounting of smartphone holster etc.
 - 2 carrying options: backpack and shoulder bag
- 2 small handles, one at each small side of bag
- reflective stripes at every side

- loop straps (38 x 5 cm) at front and rear for mounting of additional reflective stripes or labelling
- small loop strap (15 x 5 cm) at one of small sides
- waterproof, abrasion-proof bottom

Scope of delivery

Clothing Bag, with backpack-carrying-system and two drawstring bags, without any further or pictured supplies
