The perfect extension set for your TEE-UU QUICK or BLACK Paramedic Belt

- ✓ durable: high-quality hook-and-loop fastener for firm hold
- ✓ prescient: plaster tape always at hand
- ✓ intuitive: key-holder with slip-in function

Use case:
BELT-PIMPER Set with keys and
roll of plaster tape

Description

BELT-PIMPER Set consists of two parts which pack a punch!

Attachment of both parts to the belt is as easy as known from the BELT KEEPERS and will help to facilitate day-to-day work

BELT-PIMPER Set consists of:

- 1 holder for plaster tape / surgical tape

Innovation for day-to-day use! Fixed to the holder, roll with plaster tape is always immediate at hand and can be unwinded, without having to detach it from belt.

In case you want to detach roll from belt, you only need to open one buckle by pressing with thumb and pointer – that's all!
Holder is suitable for mounting of rolls up to a width of 30 mm.

- 1 key-holder

Robust metal carabiner e.g. for car key or similar.

Design of carabiner allows for intuitive attaching of the key, with one hand only. During operations, key is safely fixed to you belt, but always available if needed.

Scope of delivery

Set of 2 belt keepers one of them with key-holder and one with plaster tape holder; without further or pictured supplies
