

DUPLEX-TAC Holster

Robust, MOLLE-compatible solution for storage of two in one holster

- ✓ smart solution: one holster for two items e.g., for torch and multitool
- ✓ handy: two compartments, each separately adjustable from the other
- ✓ versatile: suitable for attaching to MOLLE-gear and belt

use case: DUPLEX TAC with SNAP rescue knife and additional equipment

rear: PALS loop system with metal snap fastener

DUPLEX TAC holster

Description

This robust and padded holster combines advantages of tried and tested TOOL and LED holsters. Both compartments can be individually adjusted to requirement of stored items and be opened separately.

Fixation of TEE-UU logo with hook-and-loop fastener allows to remove it if required e.g., due to use at field of operation etc.

PALS attachment system provides a variety of carrying options such as attaching to MOLLE-gear (bags or backpacks etc.) as well as to belts

Features:

- 2 compartments of same size (W x H x D: each 4 x 12 x 2.5 cm), which can be operated separately from each other. suitable e.g., for:
 - rescue knife: up to 14 x 5 x 2.5 cm
 - torch: up to 14 x Ø 3 cm
- plastic ring on bottom of each compartment (prevention against accidental switching on of torches)
- TEE-UU logo is detachable: mounted on loop-tape (2.5 x 2.5 cm)
- reinforced bottom

- 2 small elastic compartments
- PALS loop system with metal snap fastener for mounting to MOLLE-gear or belt

PALS:

- 2 straps, with metal bolt snap
- max. of loops that can be woven in: 2
