

EDC Holster

Slim but well-organized holster designed for holding of equipment for daily need

- ✓ neat: perfect overview thanks to opening angel of more than 180°
- ✓ decent: spacious interior along with flat design
- ✓ secure: padded zip-compartment for smartphone etc.

Description

The EDC Holster bribes due to its flat design and its more than 180° wide opening angle, that allows for ideal access to any position or item inside the holster.

Elastic loops of different size, arranged in two levels allow for holding of equipment such as pens, multitool, torch or first aid equipment.

Additional space for stowing of equipment is provided by two wide pockets and a textile loop that e.g. can be used for attaching of a key-holder etc.

The external, padded smartphone zip-pocket can be securely closed.

Features:

- external, padded zip-pocket for smart phone etc.
- spacious interior with:
 - 2 large pockets
 - 6 wide, 4 middle-size and 6 small elastic-loops
 - textile loop e.g. for attachment of key-holder etc.

- surrounding zipper with 2-way zipper puller
- 2-way belt loop made of tearproof hyperlon

Scope of delivery

EDC Holster without further supplies
