

# KEYSTUFF XL Key-Briefcase

The successful combination of writing case and key case together in one

- ✓ smart solution: key briefcase and writing case together in one
- ✓ clear: labeling templates included in delivery
- ✓ convenient: two-ring binder and detachable clipboard

Sliders with eye for sealing

Inner view: 14 slots for keys with labeling area, ring-binder and clip board

Changeable labeling area for individual inscriptions

## Description

KEYSTUFF XL allows for neat storage of up to 14 keys along with storing of documents up to DIN A4 format and pens.

Key holders with large labelling areas are located on the left. Two-ring binder, detachable clip board (DIN A4), 4 compartments and 3 pen holders are located on the right. Clip board can be mounted on rear.

Labeling field on exterior provides opportunity for individual labeling.

Folder can be safely closed with all round zipper. Sliders are equipped with eyelets which allow for sealing of the zipper.

Download-link for labeling templates of both, labeling on exterior and keys is included in delivery.
