

MASTER Holster

Extra-large holster for high standards, specifically customized for firemen wearing BA

- ✓ adjustable lid: thanks to extra-large hook-and-loop fasteners
- ✓ everything on location: 2 retaining-straps with carabiner
- ✓ immediate access: 4 external elastic loops

use case:
MASTER Holster with additional supplies

Rear with VARIO hook-and-loop straps

MASTER Holster

Description

Having this holster with you means to have all essential equipment and in sufficient quantity directly at hand.

Three interior compartments provide sufficient space for equipment such as torch, rescue scissor or knife, labeling markers, sling, carabiner, notepad and pen or similar items.

Four wooden wedges can be stowed in exterior elastic loops for immediate access.

Due to its large volume, holster is also suitable for storage of equipment required at technical assistance operations.

In order to preserve clarity, MASTER holster provides several sophisticated pockets and fastening possibilities.

Features:

- 2 medium-sized interior pockets (W x H x D): 7 x 15 x 3 cm
- large interior pocket (W x H x D): 14 x 15 x 3 cm
- 2 3mm-reatining-straps (width 40cm) with 1 carabiner each
- 4 exterior elastic loops

- 2 VARIO double-loop straps for mounting
- reflective stripe for additional safety (height: 50mm)
- marking area for individual labelling
- 4 extra-large hook-and-loop fasteners for safe closing of lid

Scope of delivery

MASTER Holster, 2 retaining straps with carabiner; without further or pictured supplies
