MEDIC Holster

Description

This large and comfortable holster provides you with the extensive equipment on duty.

Nitrile gloves are immediately at hand thanks to the GLOVE-FIX system, yet safely stored. Transparent pocket with hook-and-loop fastener provides clear view onto display of pager. Just next to it an additional pocket can be used to safely store smart phones, mobile phones or similar items.

Five more compartments in three layers provide space for a variety of medical instruments. Two exterior elastic loops – for torch, wooden wedges or similar – complete this premium holster. The Vario double-loop straps allow for the attachment to any belt – especially the QUICK Paramedic Belt.

Features:

- multi-purpose: two elastic loops e.g. for timber wedges or torch
- firm hold: abrasion proof 2-way belt-loop
- comfortable to wear: padded back
