MOBILE TAC holster

Description

MOBILE TAC is the smart and MOLLE-compatible holster for smartphones with display size from 4.7" up to 6.7".

Holster is padded at rear and cover flap. Large hook-and-loop fastener at flap and sides made of elastic straps allow for individual adjustment of compartment size to height of device.

Design of holster guarantees for firm hold of device and allows for quick released and storage of device.

Obvious added value provides inner credit card compartment with capacity for up to five (credit) cards.

PALS attachment system at rear provides a variety of carrying options. The holster can be attached to MOLLE-gear such as e.g. bags or backpacks as well as to belts etc.

Features:

- padded main compartment suitable for devices from 4.7" to 6.7"
- padded cover flap with hook-and-loop fastener
- TEE-UU logo is detachable: mounted on loop-tape (2.5 x 2.5 cm)

- loop-tape (2.5 x 2.5 cm) on front
- PALS loop system with metal snap fastener for mounting to MOLLE-gear or belt

PALS:

- 2 straps, with metal bolt snap
- max. of loops that can be woven in: 2
