PRAXIS MIXED Compartment-Set: use case

PRAXIS MIXED Compartment-Set

Description

Set of four robust compartments made of resilient tarpaulin in two sizes: - two compartments, size M: 1x yellow, 1x red
- two compartments, size L: 1x blue, 1x green

Transparent cover made of plastic and semitransparent sides and base allow for best possible overview of content.

Thanks to its balanced rigidity compartments keep their shape even when they are almost empty.

Color coded design of compartments in four colors red, yellow, blue and green allows for individual assigning of equipment according to respective needs.

Smooth surfaces facilitate safe disinfection of compartments.

For individual labeling each compartment is equipped with label field on inside of lid. Printing template for label field is available at "Download & Service" on TEE-UU website for download at: <https://tee-uu.com/en/service>

Scope of delivery

Set consisting of four compartments; without further or pictured supplies
