RESPI XL Respirator Case

## Description

XL-version of the reliable RESPI respirator case for large respirator masks or respirator masks with an integrated communication device.

The RESPI XL includes same features as RESPI, but provides significant more space in inner compartment. Case replaces impractical plastic carrying-case. Respirator mask is well protected by the full interior padding of the holster. Glasses can be securely stowed in the detachable spectacle case. An interior net pocket for valuables and fastener for your protective cap can be found within the holster's cover. The EASY glove holder can be attached to the exterior eyelet. Thanks to the infinitely adjustable Dual carrying strap it can be worn on hip or shoulder. Two wide Vario hook-and-loop straps allow for the attachment to belt

Hook-and-loop fastener on the cover for mounting of name tag. Large marking area (inside) allows for additional, permanent marking.

The 50 mm wide reflective stripe provides additional safety. The brand TEE-UU guarantees highest quality and robustness.

## Features:

- all-around padded interior compartment
- wide reflective stripe (height: 5cm)
- adjustable DUAL carrying strap for carrying case either over shoulder or hip
- 2 wide Vario hook-and-loop straps

## Scope of delivery

RESPI XL Respirator Case, detachable spectacle case and carrying strap; without further or pictured supplies
