RING XL Smart Phone Holster

Description

Holster for secure and firm hold of a large smart phone or digital radio.

Dimension of holster can be adjusted individually due to dimension of device that should be stowed inside.

This makes sure, that your device is always safely stored but immediately at hand if required. You have to open just one buckle

Holster can be mounted to belt or paramedic-belt. For mounting to shoulder strap of a back pack or climbing harness holster is equipped with two additional hook-and-loop straps.

Holster is suitable for devices up to display size of 7.5" and with bumper.

Features:

- durable buckle
- hook-and-loop fasteners for infinite adjusting of compartment
- belt loop
- holding straps with hook-and-loop fastener

- suitable for devices up to display size of 7.5" and with bumper

- minimum setting range (W x H x D): 9 x 14 x 0.5 cm

- maximum setting range (W x H x D): 10.5 x 18 x 2.5 cm
