RING Smart Phone Holster

Description

Adjustable pouch for the safe transport of your mobile phone. Your device is immediately at hand: you have to open just one buckle. Height and width/depth of the device compartment can be infinitely adjusted by adjusting of hook and loop fasteners.

Holster can be mounted to belt or paramedic-belt. For mounting to shoulder strap of a back pack or climbing harness holster is equipped with two additional hook-and-loop straps.

Features:

- durable buckle
- hook-and-loop fasteners for infinite adjusting of compartment
- belt loop
- holding straps with hook-and-loop fastener
- suitable for devices with:
 - circumference up to 16 cm
 - length up to 16 cm

Scope of delivery

Holster without further or pictured supplies
