Description

Immediate access to your protective gloves thanks to the GLOVE-FIX system. Gloves can be stored tightly and safely (e.g. zipper). A multi-tool compartment with hook-and-loop fastener and three additional compartments in two layers provide sufficient space for medical instruments.

Belt can be applied horizontally or vertically through the carrying straps on the padded back.

Features:

- 1 pocket e.g. for multi tool or rescue knife with hook-and-loop strap
- 2 further compartments
- 1 GLOVE-FIX system
- abrasion proof 2-way belt-loop

Scope of delivery
