- ✓ clean: hygienically separated boot and clothing compartments
- ✓ comfortable: breathable padding of shoulder straps and rear of bag
- ✓ extraordinary: detachable helmet holder included

clothing backpack with two boot compartments and helmet holder

padded carrying straps and rear of backpack

large and comfortable with two separated main compartments for clothing etc.

## Description

Perfect solution for carrying of PPE, spare clothes, helmet and boots: hygienically separated, compactly stored and all together in one well thought out backpack.

Detachable helmet holder allows for comfortable carrying of helmet. Helmet holder can easily be attached to daisy chain strings at front of backpack but stored inside of front pocket when not needed.

### Features:

- 2 separated boot compartments with eyelet for ventilation
- 2 separated clothing compartments with capacity of 13 liters each
- 1 front pocket with: zippered pocket for valuables, key holder inside of zippered pocket, 2 pockets, 3 pen holders
- helmet holder, detachable, for mounting at front of backpack
- daisy chain mounting loops arranged in two strings on front
- ergonomically molded backpack carrying system:
  - padded shoulder straps
  - moveable breast strap
  - durable mounting eyelet
  - stowable waist belt

- robust, water-resistant bottom
- long lasting zippers
- 50 mm high reflective-stripe at front
- loop tape (16.5 x 2 cm) on top for individual labelling
- labelling compartment (approx. 9 x 7 cm) on top
- durable zippers
- carrying handle on top with robust eyelet

## Scope of delivery

Backpack with detachable helmet holder, without any further or pictured supplies
