SINGLE TAC holster

## Description

SINGLE TAC holster is the MOLLE-compatible holster, which is designed for safely storage of SNAP rescue knife, multitool or torch.

This robust and padded holster has a double-layered bottom, made of abrasion proof fabric. Two elastic loops at exterior can be used to store batteries, pen or short penlight with length of max. 13 cm.

Fixation of TEE-UU logo with hook-and-loop fastener allows to remove it if required e.g., due to use at field of operation etc.

PALS attachment system provides a variety of carrying options such as attaching to MOLLE-gear (bags or backpacks etc.) as well as to belts

### Features:

- main compartment e.g., for:
  - rescue knife: up to 14 x 5 x 2.5 cm
  - torch: up to 14 x Ø 3 cm
- plastic ring on bottom of compartment (prevention against accidental switching on of torches)
- TEE-UU logo is detachable: mounted on loop-tape (2.5 x 2.5 cm)
- reinforced bottom

- 2 small elastic compartments
- PALS loop system with metal snap fastener for mounting to MOLLE-gear or belt

### PALS:

- 1 strap, with metal bolt snap
- max. of loops that can be woven in: 3
