SMARTY PRO holster

Description

SMARTY PRO is the smart holster with slim shape for smartphones with display size from 4.7" up to 6.7".

Smartphone compartment is padded at rear and cover flap. Large hook-and-loop fastener of cover flap allows for individual adjustment of compartment size to height of device. Thanks to sides made of elastic straps holster automatically scales to width of item inside. Design of holster guarantees for firm hold of device and allows for quick released and storage of device.

Obvious added value provides inner credit card compartment with capacity for up to five (credit) cards.

Tearproof belt loop allows for both, vertical or horizontal attachment of holster to any TEE-UU paramedic belt.

Features:

- padded main compartment suitable for devices from 4.7" to 6.7"
- padded cover flap with hook-and-loop fastener
- inside pocket in credit card format for up to 5 cards

- TEE-UU logo is detachable
- loop-tape (2.5 x 2.5 cm) on front
- tearproof two-way belt loop
