TOOL Holster: rear

TOOL Holster: use case

TOOL Holster

Description

Solid Holster to safely store the SNAP Rescue Knife.

Holster has a padded knife compartment (4mm thick) with hook-and-loop fastener. Double-layered bottom made of Hyperlon fabric prevents the knife compartment from fraying.

Elastic straps at exterior provide additional space e.g. for a pen up to a length of 13cm.

Holster can be attached to a belt or jacket due to 25mm wide textile loop – secured with metal snap fastener.

Features:

- reinforced bottom
- suitable for knives up to (W x H x D): 5 x 13 x 2,5 cm
- 2 small elastic pockets for small items such as pen etc.
- belt loop with metal snap fastener

Scope of delivery

Holster without further or pictured supplies
