

ZIP PLUS Holster

Spacious all-in-one holster for official use and private use

- ✓ sophisticated: padded main compartment for stethoscope
- ✓ clever: inner smartphone-compartment with removal string
- ✓ versatile: unobtrusive design for official use and private use

Use case: release of smartphone with use of removal string

rear with tearproof 2-way belt-loop

ZIP PLUS: front

Description

Convincing holster with large capacity and well thought out feature details, that provides versatile opportunities on duty and private use.

Benefits of padded ZIP PLUS in use at ambulance service are features such as large main compartment ideally fitting for stethoscope and from the outside accessible compartment for tough cut scissors. Outstanding solutions such as inner smartphone compartment with removal string and exterior holders for pen or penlight are further sophisticated features of this holster.

Due to phenomenal capacity ZIP PLUS is a valuable companion also in private use e.g. during vacation or when you are under way with space for passport, first-aid-kit, sunglasses, map ...

Features:

- main compartment, padded (W x H x D: 12.5 x 20 x 3.5 cm) with inner smartphone pocket (8 x 16 x 1 cm) with removal string for devices up to 6.7" screen diagonal
- small compartment, padded (W x H x D: 11 x 13 x 2.5 cm) with inner net pocket

- zipper, bright yellow with big handle
- compartment for tough cut scissors with reinforced bottom for protection against piercing and holding strap
- two narrow front-pockets for items such as pen or penlight
- 4 elastic loops at exterior on front of holster
- two-way belt loop for horizontally or vertically mounting of holster

Scope of delivery

Holster without further or pictured supplies
