

Overview of compatibility: ESCAPE / ESCAPE XL escape hood holster

Suitability of available ESCAPE-variants for storage of evacuation/escape hoods of various suppliers

manufacturer	Evacuation Hood / Escape Hood		Escape hood holster	
	model		ESCAPE	ESCAPE XL
Dräger	Parat 4700 industrial escape hood		X	X
	Parat 5500 fire escape hood	loose, without original packing (carton)	++	≈
	Parat 7500 combined fire and industrial escape hood		X	X
Interspiro	EVAC evacuation hood with tube for air supply	in original packing: transparent foil bag	--	++
		loose without original packing	++	≈
MSA	SCAP escape hood	in original packing: fire service packaging (silver airtight bag)	--	++
	RespiHood evacuation hood with tube for air supply		++	≈

key:

++ = ideal version out of ESCAPE product range
 O = just fits, but not a satisfying solution
 -- = does not fit, holster too small for product

≈ = fits, but not a satisfying solution, because bag is too big for product
 x = unchecked/unknown
