KEYFLAP Keyboard: use case with BIG Organizer

KEYFLAP Keyboard: use case

KEYFLAP Keyboard

Description

The KEYFLAP Keyboard is perfect solution for storing of up twelve keys with detachable key clips in a neatly arranged and space-saving way.

Thanks to the 4 punched holes the key rack is designed for filing it into BIG Organizer.

Stored in this way, important keys are always immediately at hand and also quickly packed away again. Thanks to elastic loops below of the key clips, keys are lying flat on surface. This saves space.

Download-link leading to labeling template for keys is included in delivery.

Features:

- 12 key-holders with detachable clips
- label fields above of key holders
- download-link leading to labeling-template for label fields
- elastic loops for fixation of keys flat on KEYFLAP

- 4-hole punch with durable metal eyelets for filing into BIG Organizer

Scope of delivery

KEYFLAP Keyboard with 12 key-clips and download-link leading to labeling template; without further or pictured supplies
