	Ultra Elite for mask-helmet-combination	-	++	O	≈	≈	++	≈
	Ultra Elite full-face mask	-	++	O	≈	≈	++	≈

key:

++ = ideal solution, referred to RESPI product range
 O = just fits, but not a satisfying solution
 -- = does not fit, bag/case too small for respirator mask

≈ = fits, but not a satisfying solution, because of following reason: bag/case is too big
 X = unchecked/unknown
